Amazing three weeks sailing with BVI Yacht Charters

We sailed for a week on a well appointed catamaran - three couples who had an absolute blast. Two of the couples had never sailed before but caught on quickly. BVU Yacht Charters does such a great job with their boat briefings and chart briefing that we knew just what to expect. We followed the first week with two more on a monohull, also chartered through BVIYC. This experience was just as wonderful. Their boats are well-maintained and their support staff is always on hand to answer any questions that might arise. I can't say enough about how BVIYC went above and beyond our expectations to make the transition from one boat to the next just as smooth as could be imagined. Wouldn't consider using any other charter company. We will definitely charter with them again!
